Legionella Control Association Limited. www.legionellacontrol.org.uk

Registered in England and Wales No. 8502723

The legal duty to comply with relevant health and safety legislation (including avoidance or control of risk to exposure to Legionella bacteria) rests solely with the statutory dutyholder, being either the employer or the person in control of the premises or systems where any relevant risk is present, and this cannot be delegated. Specific functions (e.g. carrying out risk assessment) can be delegated and the Legionella Control Association (LCA) Code of Conduct is designed to help service providers, who also have duties under health and safety legislation, to establish appropriate management systems of LCA members upon initial registration, reviews annually upon re-registration, and re-assesses by annual company audits. The LCA cannot and does not carry out other regular supervision of its members' commitments to the Code of Conduct nor their compliance with other LCA webs. A valid LCA certificate of registration (which is only valid if the Company named is listed on the LCA website www.legionellacontol.org.uk/directory.php) confirms only that a service provider has satisfied LCA requirements at registration, re-registration and its most recent company audit. It does not corrivols or sufficience provider's actual or continuing compliance with their company audit. It does not corrivols or sufficience or robits actual or continuing compliance with their company audit. It does not corrivols as being effective in controling Legionella control or sufficience or valid and above the service provider's actual or continuing compliance with their company audit. It does not control or outs for all duty of the relevant approves pacific products or services as being effective in controling Legionella control or use for the relevant envices or approve specific products or services as being effective in controling compliance on the LCA code of Conduct or other LCA guidelines, or any loss or damage resulting from non-compliance with such documents.
